

What have we missed the most in stellar spectroscopic surveys?

For in-person participants:

1. Write your topic on a sticky note
2. Place sticky not on axes
3. Optional: Swap 2 topics
(1 swap per person)

For online participants:

https://github.com/svenbuder/spectral_fidelity
-> Issues -> New Issue (need to sign in)
or email to sven.buder@anu.edu.au
